

Certified Security Leadership Officer

Mile2's Certified Security Leadership Officer course is designed for mid and upper-level managers. If you are an engineer, this course will increase your knowledge in the leading information system security teams. Plus, the C)SLO will give you an essential understanding of current security issues, best practices, and technology. With this knowledge you will then be prepared to manage the security component of an information technology project. As a Security Leadership Officer, you will be the bridge between cybersecurity and business operations.

This course/certification has been validated by the NSA for: CNSSI-4014, Information Assurance Training Standard for Information Systems Security Officers.

Annual Salary Potential

\$89,862 AVG/year

The C)SLO is a part of this Role-Based Career Path

Upon Completion	Exam Information	Course FAQ's

Upon completion, the **Certified Security Leadership Officer** candidate be able to competently take the C)SLO exam. You will be versed in implementing strong security controls and managing an organization with an industry acceptable security posture.

Re-Certification Requirements

All Mile2 certifications will be awarded a 3-year expiration date.

There are two requirements to maintain Mile2 certification:

- 1) Pass the most current version of the exam for your respective existing certification
- 2) Earn 20 CEUs (*Continuing Education Units*) per year. You may submit your CEUs in your Mile2 inbox. These CEUs must fall under "Qualify Continuing Educational Activities).

Visit our [certification renewal page](#) for more information.

The **Certified Security Leadership Officer, C)SLO** exam is taken online through Mile2's Assessment and Certification System ("MACS"), which is accessible on your mile2.com account. The exam will take 2 hours and consist of 100 multiple choice questions.
